The map displays the National Highway System (NHS) in South Dakota, highlighting major routes and infrastructure. Key features include:

- Interstates:** I-90 runs east-west through the center, while I-29 runs north-south on the eastern side.
- State Routes:** A dense network of state routes (e.g., 12, 14, 18, 212, 281, 34, 37, 46, 50, 73, 79, 83, 81, 115, 16, 385, 44) covers the state.
- Airports:** Major airports are marked, including the Rapid City Regional Airport and smaller ones in Spearfish, Watertown, Brookings, Yankton, and Vermillion.
- Other Facilities:** The map shows intermodal connectors, multipurpose passenger facilities, and other transportation infrastructure.
- Geography:** The map includes the Missouri River and other water bodies, as well as the U.S. Department of Defense area in the southeast.
- Surrounding States:** The map shows the borders with North Dakota, Nebraska, Minnesota, and Iowa.
